

01 EXCLUSIVE

This package offers a high-end, full video production for businesses seeking impactful content. It includes cinematography, professional editing, color grading, CGI, effects, and human models or actors if needed. Ideal for a complete, polished commercial or promotional video.

02 STANDARD

Designed for campaigns with multiple short videos. Perfect for ongoing campaigns, we will create teaser-style videos to keep your audience engaged for the campaign's duration.

03 BEGINNER

A focused B-roll package, providing visually captivating, supplementary footage. This includes up to 30 seconds of quality B-roll to enhance your project.

04 ROOKIE

A straightforward and simple approach to showcase your project or content, with a clean, minimalist background and multiple angles to capture details. This package is just filming the project with most basic editing using our gears.
